The heart throb of millions of comic strip lovers, cartoonist Pran was born in a small town, Kasur, now in Pakistan. After completing his M.A. in Pol.Sc. and studying Fine Arts, he started his cartooning career in 1960 from Daily Milap.

During those days foreign comics were being published all over the country. Young Pran created comics having Indian characters and on local themes. His characters CHACHA CHAUDHARY, SABU, SHRIMATIJI, PINKI, BILLOO and RAMAN have become phenomenal success one after the other.

Winner of the People of the Year Award 1995, instituted by Limca Book of Records, his two episodes of CHACHA CHAUDHARY series have been acquired by International Museum of Cartoon Art, USA. In 1983 Prime Minister Mrs. Indira Gandhi released his comic book, 'Raman - United We Stand.'

The reason for the popularity of Pran's characters is that they present simple and straight humour which directly tickles the laughter nerve of the reader.
